Dear Mr. Driscoll,

Thank you for your thoughtfully considerate letter regarding the Massachusetts National Guard's involvement in the planned monument honoring the service of our military working dogs in the Global War on Terror.

I am personally glad that SFC John Dankievitch was able to provide representation that epitomizes our Warrior Ethos and dedication. Likewise, I will share your acknowledgement and praise with him and his commander Lieutenant Colonel Conaway.

Please know that I have reviewed your website and appreciate the hard work and efforts that have gone into such a worthy cause. I wish you continued success in supporting our Military Working Dogs, and look forward to the monument unveiling.

Sincerely,
